Wed. Oct 7, 10am @ Confluence

700 Reynolds St, Confluence, 814-395-5117

Preparing Together was developed by the Salvation Army Disaster Services to help older adults and people with disabilities with making an emergency plan in a safe, learning environment.

You will leave the workshop with a booklet that you have started.

The workbook contains a magnet on the back so you can keep your plan on your refrigerator door or in a safe place for easy reference.

The most important time to develop a plan that fits your needs is before an emergency.

SAVE THE DATE * SAVE YOUR STUFF

Support The Meyersdale Marching Band

through Goodwill's "Collect & Earn" Fundraiser Donation Drive\$

Please bring your gently used items to the

Meyersdale Elementary School

1345 Shaw Mines Road

Equipped to Serve: Real Ways to Help During a Crisis

October 15, 2026 – 9:00 AM – 12:00 PM

REGISTER NOW 

FREE Webinar: Be Ready to Help When It Matters Most

When a crisis strikes, faith-based communities are often among the first places people turn for help, hope, and support. Is your house of worship prepared to serve your community when support is needed most?

The Pennsylvania Office of Homeland Security is offering a community-focused webinar on strengthening emergency preparedness, building partnerships with local responders, and learning how faith communities and other organizations can provide meaningful support before, during, and after a crisis.

Designed for houses of worship and safety teams, this session also welcomes nonprofits, schools, and community organizations committed to serving their communities. Gain practical tools and resources to help your organization respond with compassion, coordination, and confidence.

Together, we can strengthen our communities and be better prepared to provide care, resources, and hope to our neighbors during times of crisis.

Visit our website at www.homelandsecurity.pa.gov to explore the full range of training opportunities to help build preparedness and strengthen our communities.
