## Help Our County Get its Share of State and Federal Broadband Funding!

Learn about the new FCC broadband map, and how to challenge its inaccuracies. **The map's accuracy is crucial for our county, to receive sufficient federal funding** to ensure high-speed internet access for all residents. **See what it says about your location here:** <https://broadbandmap.fcc.gov/home> Doesn't seem to match reality? Let the FCC know!

Need access to a computer and internet to check the map and report inaccuracies? Need help using them? **The library can help!** We are committed to helping area residents bridge the digital divide. The Somerset County Library is also arranging to file a bulk challenge on behalf of area residents. If interested in having the library submit a bulk challenge on your behalf, please fill out the form at <https://forms.gle/M8J55gb2i5RpwR3N7>.
