Photos, More Photos, and Negatives!

Our Meyersdale Public Library has acquired *thousands* of old photos and negatives from the now-closed *New Republic* newspaper. Many of the items are not labeled. Surely, there are community projects galore we can have with that many photos! Ideally, we'd like to identify, organize, and digitally scan everything. If anyone would like to volunteer to help with scanning (it requires only minimal familiarity with computer equipment) or looking through photos to identify people, contact our archivist Jennifer by email at jhurl@meyersdalelibrary.org or phone her at 814-634-0512, menu option 2. We thank publisher George Menser for his thoughtfulness and generosity.
